SPONSOR & EXHIBITOR OPPORTUNITIES

May 23-26, 2026

**Banff Centre for the Arts
Banff, Alberta**

Dear Collaborators and Industry Partners,

It is our pleasure to invite you to support the **Canadian Stroke Congress**, which will be held in **Banff, Alberta** on **May 24-25, 2026**, with **workshop sessions** on **May 23**. Canadian Stroke Congress is the premier Canadian conference devoted to sharing current best practices and future innovations for stroke and vascular cognitive impairment including advanced technologies. The congress vision is to advance new discoveries and share cutting-edge clinical practices to restore lives impacted by stroke.

Across two days, the congress will host joint plenary sessions, parallel lectures and workshops, dynamic poster sessions with oral presentations, as well as dedicated time for networking.

FEATURE YOUR INFORMATION in our digital program book, be an **EXHIBITOR** and connect in person with our attendees or **SPONSOR** a portion of the Congress and get further exposure to 500+attendees. Full details can be found in this package.

We look forward to hosting you in Banff, Alberta, a premier destination for meetings with wide open landscapes and a peaceful alpine atmosphere.

Sincerely,

Dr. Sean Dukelow, Co-Chair, 2026 & 2024 Congress

Dr. Jodi Edwards, Co-Chair, 2026, 2024 & 2022 Congress

Mr. Farrell Leibovitch, Platform Director, CanStroke and StrokeCog

“CSC is always one of my first choice conferences. Good representation of rehabilitation and recovery - sets it apart from international conferences.”

“The mix of therapists, physicians, researchers and patients was great for networking.”

“CSC is an amazing conference that attracts the top stroke researchers worldwide. It has a great atmosphere that is conducive to networking and developing new collaborations.”

Canadian Stroke Congress  **Congrès Canadien de l'AVC**

What is the Canadian Stroke Congress?

The Canadian Stroke Congress is an opportunity for scientists, researchers, those with lived experience, health professionals, and others to gather and share advances and knowledge in the areas of stroke and vascular cognitive impairment. The theme of the 2026 Congress is: ***Frontiers in Stroke: Innovation. Action. Impact.***

The Congress is organized by members of the CanStroke and StrokeCog Platforms and co-chaired by Sean Dukelow, University of Calgary, and Jodi Edwards, University of Ottawa Heart Institute along with an internationally recognized scientific program committee.

Who attends the Congress?

The Canadian Stroke Congress draws leading scientists, researchers, health professionals, and graduate students in all areas of stroke and vascular cognitive impairment from across Canada and the world.

We expect to attract **approximately 500+ attendees** to the 2026 congress.

The congress attracts:

- Frontline clinicians, therapists, and physicians
- Researchers
- Allied health providers
- Research coordinators
- Trainees/Students
- People with Stroke Lived Experience
- Community partners
- And others

WHY SUPPORT Canadian Stroke Congress?

Canadian Stroke Congress  Congrès Canadien de l'AVC

WHY SUPPORT?

Premium **branding & positioning** opportunity

- Reinforce and strengthen your brand position within our community
- Increase credibility, expand loyalty and build opportunities with new or existing clients and collaborators
- Set your product, service and brand apart from your competitors
- Custom design your booth to reflect your corporate identity

Connect with **leading clinicians and emerging researchers**

- Connect with physicians, clinicians, allied health clinicians, research labs leaders and scientists affiliated with large and diverse professional departments
- Reach 500+ attendees from the various fields of stroke and vascular cognitive impairment

Facetime with **decision makers**

- Interact with attendees from across Canada and the globe who make or influence purchasing decisions and are actively seeking new information, products, and techniques for stroke research, rehabilitation and more.
